In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the Accounting Standards prescribed under Section 133 of the Act read with the Companies Rules, 2014 and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, and its Profit including other comprehensive income, Changes in Equity and its cash flows for the year ended as on that date .

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Standalone Financial Statements' section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone AS financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

There are no matters which, in our professional judgment, are required to be emphasized in the audit report in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Hence, no Key Emphasis on Matter paragraph has been included.

Information other than Financial Statements and Auditor's report thereon

The Company's Board of Directors is responsible for the preparation of the other information required under section 134(3) of The Companies Act 2013. The other information comprises of the information included in the Board's Report including Annexures to Board's Report, Business Responsibility Report but does not include the standalone AS financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements.

The Board of Directors of the Company is responsible for the matters specified in Section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, Cash Flows and Changes in Equity of the Company in accordance with accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also: -

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern.

If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicated with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other

matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

M/S ON DOOR CONCEPTS LIMITED, BHOPAL

NOTES FORMING PART OF FINANCIAL STATEMENTS

Notes forming part of financial statements for the year ended 31st March 2025.

COMPANY OVERVIEW

The company is listed company domiciled in India and is engaged in the business of retailing household and consumer products through e-commerce platform and departmental stores.

BASIS OF PREPARATION OF FINANCIAL STATEMENTS

The financial statements of the company have been prepared in accordance with the Generally Accepted Accounting Principles (GAAP) in India. The company has prepared these financial statements to comply in all material respects with the accounting standards notified under section 133 of the Companies Act, 2013 read together with paragraph 7 of the Companies (Accounts) Rules 2014. The financial statements have been prepared on an accrual basis and under the historical cost convention. The accounting policies, in all material respects, have been consistently applied by the Company and are consistent with those used in the previous year.

SIGNIFICANT ACCOUNTING POLICIES

1. METHOD OF ACCOUNTING

The company adopts the accrual method and historical cost concept in the preparation of the accounts in accordance with generally accepted accounting principles.

2. INCOME/ EXPENDITURE RECOGNITION

(a) INCOME -

Income is recognized on Accrual basis to depict the actual transfer of promised goods or services to customers in an amount that reflects the consideration to which entity expects to be entitled in exchange of those goods or services.

(b) EXPENDITURE -

All the expenses are accounted for on an accrual basis.

3. PROPERTY, PLANT AND EQUIPMENT

Property, Plant and Equipments are stated at cost (including expenses related to acquisition and installation) less depreciation. Impairment loss is provided to the extent of the carrying amount exceeds their recoverable amount. An impairment loss is charged to the Profit & Loss Account in the year in which an asset is identified as impaired. However, during the year no impairment loss was recognized.

The Company depreciates property, plant and equipment over their estimated useful lives. The estimated

useful lives of assets were based on technical evaluation, the management believes that the useful lives as given above best represent the period over which management expects to use these assets. Hence, the useful lives for these assets may be different from the useful lives as prescribed under Part C of Schedule II of the Companies Act 2013.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

4. INTANGIBLE ASSETS

Intangible assets are stated at cost less accumulated amortization and impairment. Intangible assets are amortized over their respective individual estimated useful lives on a straight-line basis, from the date that they are available for use.

The estimated useful life of an identifiable intangible asset is based on a number of factors including the effects of obsolescence, demand, competition, and other economic factors (such as the stability of the industry and known technological advances), and the level of maintenance expenditures required to obtain the expected future cash flows from the asset. Amortization methods and useful lives are reviewed periodically, including at each financial year end. However, during the year, no amortization of intangible assets is booked, since, as per management, the asset is considered to have an indefinite life.

5. DEPRECIATION

The company systematically allocated depreciation on a depreciable asset over its useful life. The depreciable amount of an asset is the cost of an asset or other amount substituted for cost, less its residual value. The useful life of an asset is the period over which an asset is expected to be available for use by an entity, or the number of production or similar units expected to be obtained from the asset by the entity. The Company has adopted useful life of assets as prescribed under Schedule II to the Companies Act, 2013. Depreciation on additions /deductions to fixed assets is being provided on pro-rata basis from/to the month of acquisition /disposal.

6. IMPAIRMENT LOSS

Impairment loss is provided to the extent the carrying amount of assets exceeds their recoverable amounts. Recoverable amount is the higher of an asset's net selling price and its value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of the asset and from its disposal at the end of its useful life.

Net selling price is the amount obtainable from sale of the asset in an arm's length transaction between knowledgeable, willing parties, less the costs of disposal. During the year there is no impairment loss of any asset in the company. However during the year no impairment loss recognized.

7. INVESTMENTS
